Design Name	MOUTON - Sheepskin
Possible applications	Throws, cushions
Price	On request
Materials	Natural hides – Silk, wool or cashmere lining
Characteristics	<i>High-quality sheepskin should have a nice, natural ivory tone, unmarred by stains or discolorations in the underlying wool. Premium sheepskins in other colors should display the same clean look, with no visible imperfections. Perhaps the most enjoyable attribute of high-quality sheepskin is its soft, silky feel. Available in long hairs 10/20 cm or sheared 5 cm</i>
Custom size	Yes
Custom colors	Yes – available in all our sheepskin colors range Custom colours – MOQ 25 hides
